

ORDINANCE NO. 1608

AN ORDINANCE AMENDING ORDINANCE NO. 1391, THE CITY PLUMBING CODE, TO REQUIRE SURETY BONDS, AND DECLARING AN EMERGENCY.

THE CITY OF BEAVERTON DOES ORDAIN AS FOLLOWS:

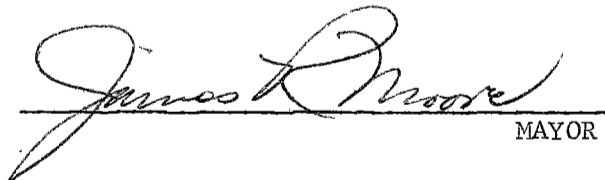

Section 1. Section 307 of Ordinance No. 1391 is amended to add a new subsection (d) to read as follows:

(d) No person, firm or corporation shall engage in the business of plumbing or sewage disposal system work within the City without first filing with the City Recorder a bond, approved as to form by the City Attorney, executed by the applicant and a surety company authorized to do business in this state, in the amount of \$2,500.00, and guaranteeing strict observance of and compliance with this and other City ordinances and state laws and regulations pertaining to plumbers, plumbing and sewage disposal system work. The surety bond shall insure the City for any loss or damage which the City may suffer directly or indirectly on account of any breach or failure of the person named therein to perform work according to the applicable city ordinances and state laws and regulations. The surety bond shall further provide that it insures to the benefit of any person who may be damaged or injured by any failure of the person named therein to comply with the applicable ordinances, laws and regulations, and that any person so damaged may maintain an action on said bond in his own name.

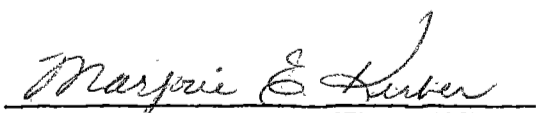

Section 2. Inasmuch as the recent compilation of the city's ordinances reveals the lack of certain provisions deemed essential for the immediate preservation of the public health, peace and safety of the City and its inhabitants, an emergency is hereby declared to exist and this ordinance shall be in full force and effect immediately upon its passage by the Council and approval by the Mayor.

Passed by the Council this 1 day of March, 1971.

Approved by the Mayor this 1 day of March, 1971.

MAYOR
