Exhibit 1

CODE

ORDINANCE NO. 4445

AN ORDINANCE AMENDING BEAVERTON CODE CHAPTER 6

WHEREAS, the Council finds that parking issues should be initiated or informed by staff or an appointed parking advisory body; and,

WHEREAS, the Council finds that parking management zones should be added as appropriate to the Code through the Traffic Issue Process in order to serve patrons, encourage mixed use, and support economic vitality within the zone; now, therefore,

THE CITY OF BEAVERTON ORDAINS AS FOLLOWS:
(Strikeouts are deletions; bold underlined text are insertions.

Section 1: Beaverton Code 6.02.050 is amended to read:

TRAFFIC ISSUE PROCESS

6.02.050 Title and Purpose. The ~~purpose of this ordinance is to authorize the~~ City Traffic Engineer and Traffic Commission **each is authorized** to approve and direct the implementation of restrictions and other devices, such as warnings, on public roadway use that are determined necessary and in the public interest. **Issues pertaining to parking and the Permit Parking Areas of this code that are processed through the Traffic Issue Process may have information provided by City staff and persons appointed by the Mayor to advise on such matters.** Such authority is subject to review and approval by the City Council in accordance with procedures established herein. This ordinance shall be known and may be referred to herein as the "Traffic Issue Process".

*****

Section 2: Beaverton Code 6.02.085 is added to read:

6.02.085 Designation of Parking Management Zones
The City Council may adopt parking management zones as recommended and processed through the Traffic Issue Process of this code. Such management zones shall serve patrons, encourage mixed-use development, and support desired economic uses within that zone.
